Background - The Anson Call House

- Built in 1897
- 16552.8 Square foot lot
- 3,316 square foot house
- Past down the family till nobody wanted it
- Used briefly for paranormal investigation
- Now deemed to unsafe for public use

Recent History

The house is surrounded by chain-link fencing but has weak points

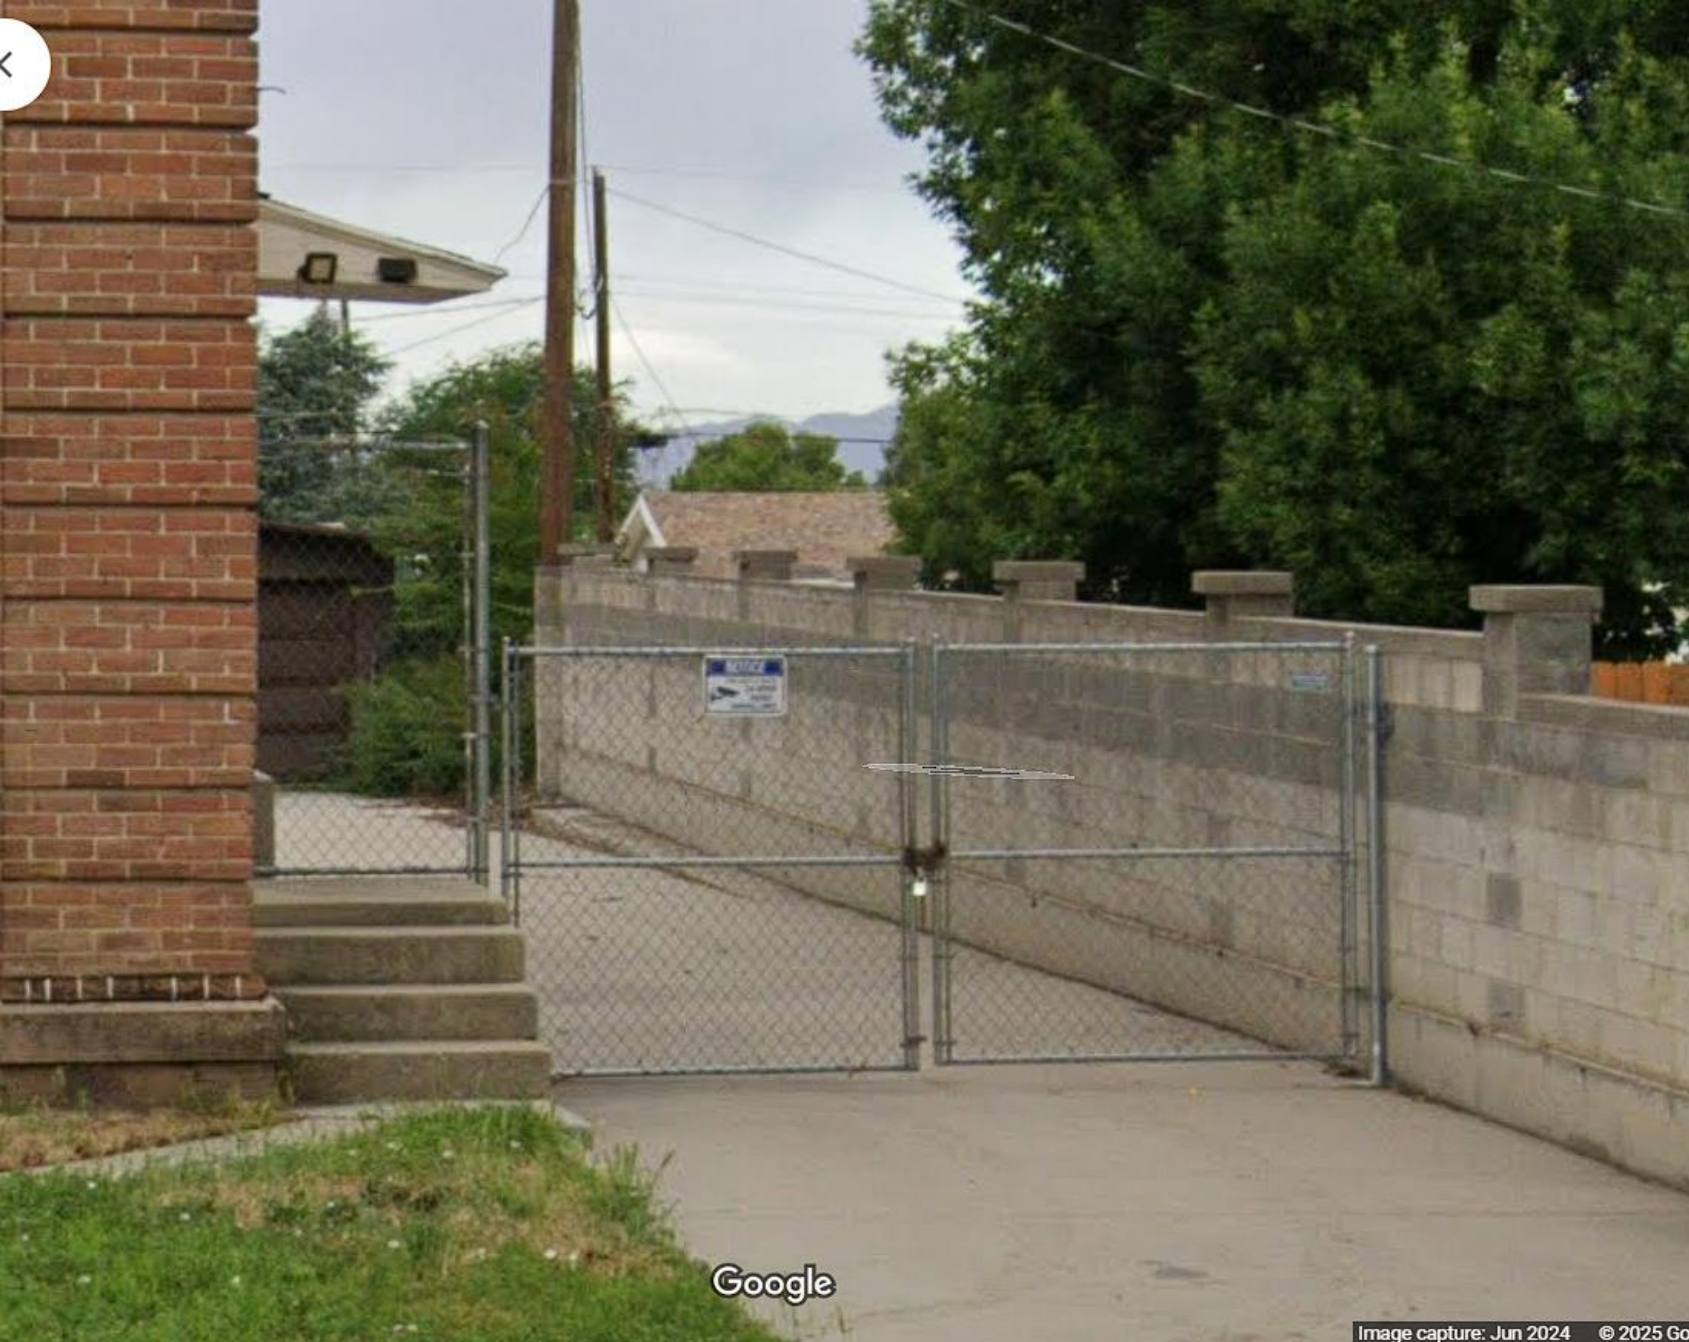

Notices claim there's surveillance so we're going to want to suit up good for this one

There is sustainable damage to the structure so be advised

Places Of Interest

Getting In – Method 1

- The more difficult method would be to get through this gate, whether we pick/cut the lock
- If we go for the car, we'll have to open the gate

Getting In – Method 2

On the other side of the building the fence has been knocked down

Plan Of Action

3 rounds

Round 1:

- On foot, no breaking, pictures, and note taking
- Checking the main house only

Round 2:

- Checking theoretical tunnels, shed, and car

Round 3:

- Taking what we want, lots of planning needed

Round 1 – In Depth

- Because this is the first chance we'll get to see the situation, it's the only one we can really prepare for
- I'll perform on ground recon and get up-to-date photos of the place
- I'll talk to the bountiful city records department to see if we can get a map/blueprints

Plan For The Following
